Attached is our report on the deferred surplus cases, as requested by [redacted].

With regard to [redacted], I have extended his termination date to 31 July 1963. This will give DDI/[redacted] the opportunity to reassign subject to a position which they anticipate will become vacant prior to that date. The Director of Training has indicated a willingness to continue to utilize subject's services in his present position until July of 1963 and Clandestine Services has indicated a willingness to allow subject to retain his [redacted] Service designation until he is picked up by the [redacted] or terminated on that date.
